## Course 7 – Leadership in School Context

ERASMUS + - Key Action 1: Learning Mobility of Individuals<sup>1</sup>

---

### Leadership in School Context

This course has been designed for those who want to develop leadership and management skills. The focus is to promote critical thinking and give a new approach to the development of leadership and management practices to promote professional improvement.

As in any other organization, a good leadership in school context is the engine that allows the team development. A leadership produces results and repercussions in various dimensions. A productive leader is the one that has competences to organize, lead and inspire the team by stimulating actions and processes in order to achieve more success and more efficiency.

This course was created to support the development of leadership in educational professionals, Head teachers and School Principals who are currently working in leadership positions, for other team leaders and management level personnel, or for those who wants' to explore and extends knowledge in this area.

By participating on this course you can get the **Europass Mobility Certificate**.
